

State Energy Conference of North Carolina

Continuing Education Credits (CEC)

Important Information & Instructions

Receiving Credits for Live Sessions:

- You must attend at least 80% of a live session to be eligible for receiving continuing education credits from any certifying organization (including AIA, USGBC LEED/GBCI, CLE, BPI).
- If you did not request CEs on your conference registration form and would like to receive credits and/or documentation of participation, you must complete the ***Continuing Education Credit Request Form*** by Friday, April 30.
- You will only receive credits for attending the live sessions during the scheduled time. You may not receive AIA, USGBC LEED/GBCI, or Continuing Legal Education (CLE) credits for watching the recorded sessions at a later date.

Receiving Credits for Pre-Recorded Sessions:

- To receive credits for pre-recorded sessions, you must complete one ***Recorded Session Attendance Form*** for each session you watch.
- You may receive credits for pre-recorded sessions by watching and completing the ***Recorded Session Attendance Form*** through May 7, 2021.
- CECs are not available when watching recordings of the live sessions.
